Re: *Perez et al. v. Safety-Kleen* - No. C 05-5338 PJH (JL)
Discovery Matter

Your Honor:

As a follow-up to my letter of February 12, and subject to the Court's approval, the parties have agreed between themselves on the following schedule for Safety-Kleen's motion for summary judgment and for plaintiffs' simultaneous motion for class certification:

| | |
|----------------|--------------|
| Opening papers | Wed. May 7 |
| Oppositions | Wed. May 28 |
| Replies | Wed. June 11 |
| Hearing | Wed. July 2 |

Among other things, we provided for 21 days, instead of 14 days, between the reply briefs and the hearing in view of the Court's being away during the week of June 9.

For me personally, the only matter that might interfere with this schedule is my call for jury duty on April 25. In the unlikely event, it develops into a problem, I will contact everyone.

Very truly yours,

SEYFARTH SHAW LLP
